## **INTERNATIONAL RATE SOLICITATION**

### **AMENDMENT 2 TO CHANGE 1 (EFFECTIVE 1 APR 04)**

#### **SUMMARY OF CHANGES**

- 1. Removes Intratheater and Intertheater movements as part of the transit time changes for IS04.**

**AMENDMENT 2 TO CHANGE 1**  
**INTERNATIONAL RATE SOLICITATION I-14**

1. **GENERAL:** Effective April 1, 2004 (IS04), the following changes will be implemented into the International Property Rate Solicitation I-14:

**2. Transit times originally published in the new DTR dated August 2003 will become effective 1 April 04 for shipments moving between CONUS and OCONUS rate areas. Transit times for intertheater and intratheater shipments will not become effective for IS04. Due to this change an additional initial filing of 10 Dec 03 has been established for carriers to file rates for intertheater and intratheater shipments under the transit times listed in the DTR dated August 1999. The remainder of the rate schedule has been adjusted accordingly. Please see Item 218 and Item 219 of the International Rate Solicitation for the definition of intratheater and intertheater movements. The deadline for having a valid letter of intent remains November 12, 2003. Please see revised rate schedule posted on MTMC's website.**
